- Technology & Innovation: AI/GenAI Strategy, Hyperautomation, SaaS Delivery Models, Product Roadmap Influence, Digital Transformation.
- Global Operations: Global Delivery Excellence, Program Portfolio Management (\$50M+), Change Management, Cross-Cultural Team Leadership.

WORK HISTORY

Netcore Cloud – Global Delivery Head, Senior Vice President

Chennai, India | Jun 2022 – Aug 2024

- **Owned global P&L and revenue realization** for onboarding, aligning Sales, Pre-Sales, Product, and Customer Success to convert bookings into predictable go-lives and accelerated time-to-value.
- **Built and scaled a 45-FTE multi-region organization** across integration automation and functional expertise, enabling enterprise deployments throughout the US, Europe, and MENA while establishing a repeatable model for growth.
- **Transformed the implementation engine** via standardization, automation, and governance, delivering 50% faster time-to-market and an 85% improvement in conversion efficiency.
- **Elevated customer lifetime value** by shifting from project delivery to value realization—reducing early-life churn by 25%, improving expansion revenue by 20%, and feeding field intelligence into product strategy.

Sakon – Program Manager

Chennai, India | Jul 2020 – Jun 2022

- **Directed a \$15M+ portfolio** for global telecom cost optimization programs, achieving 90% on-time delivery through rigorous governance and executive stakeholder alignment.
- **Modernized delivery operations** by embedding analytics and automated reporting, reducing manual effort by 40% while enabling real-time, C-level visibility.
- **Increased speed and predictability** by implementing a hybrid Agile/Waterfall framework, accelerating time-to-market by 25% across complex client environments.
- **Built leadership capacity** by mentoring PMs and analysts, driving 95% retention and measurable gains in throughput and execution quality.

Freshworks – Senior Engagement Manager

Chennai, India | Mar 2019 – Apr 2020

- **Led multi-region SaaS implementations** across AMEA and EMEA, translating sales wins into revenue-generating, adoption-driven customer outcomes.
- **Improved retention in strategic accounts by 10%** through structured onboarding, targeted enablement, and accelerated time-to-value.
- **Aligned GTM, Product, and Customer Success** to standardize implementation motions, enabling repeatability across diverse verticals.
- **Developed outcome-oriented teams** that strengthened customer trust, improved advocacy, and created expansion pathways.

Synechron – Associate Director

USA | Feb 2017 – Mar 2019

- **Owned P&L** for a \$10M flagship fintech program, delivering 25% margin under fixed-bid constraints while meeting aggressive quality and timeline commitments.
- **Expanded account footprint** through structured upsell and proposal leadership, strengthening pipeline and long-term revenue stability.

- **Operated as a trusted advisor to C-suite** stakeholders, securing repeat business and elevating partnership depth.
- **Scaled global delivery teams** across onshore and offshore models, institutionalizing governance and career frameworks.

Capgemini – Engagement Manager

USA | Jun 2011 – Feb 2017

- **Led large, multi-vendor banking programs** with teams exceeding 75 FTEs, delivering consistent quality in highly regulated environments.
- **Held full financial accountability** for engagements, earning repeated recognition for delivery excellence and operational performance.
- **Strengthened organizational capability** as a PM chapter leader, building training frameworks and reusable assets that improved win rates.
- **Converted delivery credibility into durable client partnerships**, reinforcing account longevity and growth.
