WORK HISTORY

Netcore Cloud – Global Delivery Head, Senior Vice President

Chennai, India | Jun 2022 – Aug 2024

- **Business Strategy & Outcomes:** Owned full P&L for global onboarding; architected and executed the global growth strategy in partnership with Sales, Pre-Sales, and CSM leadership, directly impacting top-line & bottom line revenue.
- **Operational Transformation:** Spearheaded a full-scale revamp of implementation processes, tools, and delivery support systems, resulting in a 50% improvement in time-to-market and an 85% uplift in conversion rates.
- **Customer-Centric Engine:** Instituted a 'shift-left' success framework that reduced infant drop/churn by 25% and improved cross-sell/upsell by 20%, directly increasing Customer Lifetime Value (LTV).
- **Product & AI Influence:** Championed product adoption by institutionalizing customer insights, directly shaping the product roadmap to reduce implementation friction and align with market demands. Led the evaluation and integration of GenAI tools to enhance delivery efficiency.

Sakon – Program Manager

Chennai, India | Jul 2020 – Jun 2022

- **Portfolio Leadership & Growth:** Managed a strategic \$15M+ program portfolio for telecom cost optimization, achieving 90% on-time delivery and improving client satisfaction (CSAT) by 30% through disciplined governance and executive stakeholder alignment.
- **Operational Innovation:** Spearheaded the integration of data driven analytics into the client reporting suite, reducing manual effort by 40% and providing real-time visibility that empowered C-level decision-making for both Sakon and its clients.
- **Delivery Excellence Framework:** Architected and implemented a best-in-class hybrid (Agile/Waterfall) delivery framework, accelerating customer time-to-market by 25% and enhancing delivery predictability.
- **Talent & Capability Building:** Mentored and developed a high-potential team of 4 project managers, 10 Analysts- achieving a 95% retention rate and increasing team throughput by 15%, building a scalable talent foundation for SaaS delivery.

Freshworks – Senior Engagement Manager

Chennai, India | Mar 2019 – Apr 2020

- **Strategic Onboarding & Revenue Acceleration:** Orchestrated end-to-end product implementation and onboarding for the Freshworks suite across the AMEA and EMEA regions, directly translating sales acquisitions into revenue-generating customer engagements for SMB and enterprise accounts.
- **Customer Retention & Value Growth:** Drove a 10% improvement in customer retention within one year for key EMEA accounts by architecting tailored onboarding and training programs that accelerated time-to-value and deepened product adoption.
- **Cross-Functional GTM Leadership:** Partnered with Sales, Product, and Customer Success leadership to refine the regional Go-To-Market (GTM) playbook, ensuring implementation processes supported rapid scaling and consistent customer outcomes across diverse verticals (Retail, Travel, Banking, Media).

- High-Performance Team Development: Galvanized and mentored implementation teams on aligning with core business outcomes, fostering a culture of agility and transparency that enhanced client trust and established a foundation for account growth and positive customer advocacy.

Synechron – Associate Director

USA | Feb 2017 – Mar 2019

- Strategic Client & P&L Leadership: Owned the P&L and delivery for a key \$10M testing program for a major FinTech client, delivering 25% margin on a fixed-bid contract while ensuring flawless execution within time and quality constraints.
- Revenue Growth & Expansion: Drove revenue growth by overseeing a portfolio of testing engagements, expanding accounts through strategic upsell/cross-sell initiatives, and leading proposal development for new business, directly contributing to the regional pipeline.
- C-Suite Relationship Management: Cultivated and maintained trusted advisor relationships with C-level and VP-level clients, ensuring high satisfaction (CSAT), securing repeat business, and positioning Synechron as a strategic partner rather than a vendor.
- Global Team Architecture: Led, mentored, and scaled high-performance testing teams across onshore, nearshore, and offshore models, defining career paths and implementing governance frameworks that standardized quality and excellence.

Capgemini – Engagement Manager

USA | Jun 2011 – Feb 2017

- Large-Scale Global Delivery Leadership: Managed end-to-end testing delivery for a portfolio of international banking giants (RBS, Barclays, Fiserv), leading cross-functional teams of 75+ FTEs in complex, multi-vendor environments on client site.
- Full P&L & Operational Accountability: Held full P&L responsibility for delivery engagements, consistently delivering exceptional client value and achieving multiple corporate awards for delivery excellence and project management.
- Strategic Organizational Contributions: Acted as a Chapter Lead for Project Management, designing and delivering training/certification programs to uplift internal capabilities. Contributed to the Testing Center of Excellence (TCOE), building reusable artifacts and strengthening proposal responses to win new business.
- Client Partnership Development: Leveraged deep delivery credibility to build strategic partnerships with client leadership, translating operational success into long-term, trusted relationships and account stability.
